Dear Mr. Weisberg,

I'm writing to thank you for your contribution to exposing Posner. I am a researcher in the JFK murder case and your Case Open has taken a hugh burden off my shoulders. To bad none off us have the time to check more of his CIA/intelligence connections.

I can't tell you how excited I was to see your book on a bookshelf in a Santa Monica (CA) bookstore.

I will be recommending your fine work in my next JFK project (which is by and large being done to promote Lifton's work).

Excuse all the envelopes. It frustrates the law breakers.

If I travel back East hope we can have a cup of coffee together.

I have the honor to remain,

Sincerely yours,

Lawrence McManus, Jr.
